

EXHIBIT 5

Mr. Clinkscale

You may not remember me by Ramon McKay. But by these SA
 Boc. SA, Chill-Boc. These are the name I go by in the streets.
 Concern for writing you this letter is about my case.
 Understanding is that yall have a person in Custody by
 name of William Carry (AKA Ret, Ret) Talley. I know your police depa
 don't like use Guys out of the hood also. But please don't
 cover this up. You know Rat kill that man I'm in
 for, So please have me out. I'm a just make it short also

You can check my record downtown, I wasn't a bad per
 son there. The gun charge I got at school was because
 them boys out of Campbell and Grove Terrace. We
 had a shoot-out over the weekend. So we got word
 them guys was coming to the school after me and
 Reginald Miles and also Tyron Smith. That what he
 with that mess. I was charge with first degree Murder. In
 Mar 17, 1990 for something I didn't do. I could have plead that
 to a lesser charge and got 5 years. I knowed how much time
 I would have to pull out of it. But wasn't going out like I
 I know what could happen, But I wasn't takin shit. My uncle
 Gary Porter works with yall guys. I tried to tell him abt
 it, But yall all are the same. Don't get me wrong there are
 some good cops. But there are alot of Bad one's too!

My lawyer was from Raleigh off Fayetteville St. His name
is Carlton Sellers, Check with him if you like. Mr. Talley
was the one that done the crime not me. I was set up
by some Fayetteville police officers. I can't recall one of
them, one was white and the other was Black. But one
of the officer name was Officer Parker. He's No longer with the
Fayetteville police department. He got busted down drug bus-
ing himself and keeping the money and drugs for himself
not letting the people go. Him and the other officer paid a
cock head some drugs to lie on me. His name is Bobby ^{A.K.A.} Strawn
"him. There were a few other people also.

I've sold drug for a few years and never been caught.
This murder thing came up and I wouldn't cooperate
with them. They thought I knew something about it.
I guess them out and they had it in for me ever
since then. Officer Parker was off the case and
the white officer took over. They told me if they caught
me with some drugs they were going to kick my ass. I
wasn't turn 18 years old at that time. They did a poor
investigation on the case. They never look into other areas in
town. There were other shooting all over town beside Heymont
all that night. They had other people like Dennis Ford and then
come to me. We didn't get along either.

I'm not trying to be a Nuisance. I would like to talk with
someone about this. It's some more people involve with this
ime. Bernard (^{AKA} Chilly-Bax) McIntyre was with Mr. Talley
hen it happen. The people that know more about this case
is in jail custody also. Cornelius Johnson, Herby (^{AKA} Pash) ^{AK} ~~Red~~
Michael (^{AKA} Mike man) Smith, Barry (^{AKA} But he) McCormick, Christopher (^{AK} ~~Co~~
Ellen, Ervin ~~Co~~, Prescott McIntyre and my homeloy
ntory Lewis (^{AKA} A.B.) Branch, Antony (^{AKA} Pretty T.) William. Presco
del me what happen in prison in "91". But before pris
I told some guys on the hill that Rat, Rat was the
I done the Murder. I heard about it when I was out
I heard, But didn't know for sure. Cause people was saying
ennis fold done it. I told my lawyer about it too!
When I got lock up, it came out!!! It was the
all of the town. I'm sitting in this place for the next
5 years for what Rat, Rat done. That not right at all.
I know things like this happen, But please help me out
this mess. I been in here for 4 years for that man
den. Aint no telling who else Rat done kill and go
away with it. I use to hang out with some of
them Court Boys. I'm from Heymont-Hill. We call
the hill or Hill-Top. We had our different with
Shore view and Campbell Terrace in the past. Shoot
not the whole nine yard. We Gamble got high together c

went to club. It was all in the game. I'm not trying to see nobody, just want my freedom back. - lost my wife and I would like to take care of my son and their. Then police officer take me away from that. A lot of people know about the Murder in LA projects. But didn't say anything about it. Cause they are afraid of the law and them Court Fags.

William Talley done this work before he went to prison in "91". He got a kilogram of cocaine with names Raabney Smith (AKA Lump) and Tony (AKA Rat) Milton. Then just put part of his money to help get the mine. But it was Rat and Lump.

Thang was going to save for them, But Rat, Rat and changes and was wanted by the police. He was on the run for along time. Then people was saying he kill someone at a club call high Roller off the "Muck" beside Vicks drive in, in 90. So since he and Lump had it made, He turn himself in. Present NCTatire and Herley (AKA Peck) Locke know about it.

Then Lump got some charges on him so he gave the cocaine to Ronald Perkins in "92". So when he and Rat got out they would be straight. Please write me back I know yall know about this.

Please don't cover this up. Thank you. Romont McKinn
